Boy

Add a smile to your room.

Boy adds a playful touch to any room, with a distinctive shape designed to bring a little joy to everyday life.

Inspired by the carefree spirit of childhood, Boy is both practical and expressive. Easy to move around, it works equally well as an extra seat, a footstool or a colourful accent.

A small piece with plenty of personality.

Technical information:

Boy is made with 61.4% recycled foam, giving new life to materials that might otherwise go to waste.

Choose from a wide range of textiles and leathers.
