Open the box

NIU is inspired by a box that opens and gives you a glimpse of what lies hidden inside. The walls lean back and to the side, giving the sofa a dynamic character that is interesting from every angle. In Catalan "niu" means "nest", and that's exactly what Hallgeir Homstvedt wanted to create; a zone shielded from the surrounding interior with high walls, an inside filled with soft cushions and a generous depth made to share. With its two basic modules, NIU can perfectly adapt to various spaces or needs.
