Niu

With its three basic modules and generous depth, Niu is a sofa made to adapt and made to share. Niu can perfectly adapt to various spaces or needs.

The armrests lean back and to the side, giving the sofa a dynamic character that is interesting from every angle.

Technical information:

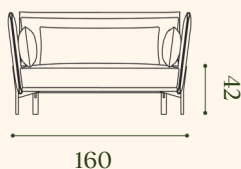

- Available in a wide range of fabrics and leathers.
- Legs in powder-coated black steel.
- Delivered with loose cushions in two sizes, designed for layering.

Niu can be configured in countless ways.

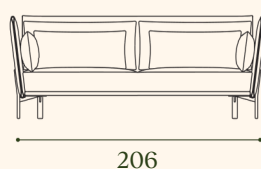

Three sizes are the starting point. From there, you can remove the armrests and/or back to create an ottoman, a daybed, a chaise longue or a corner sofa. On the next page, you will see some examples.
