

Kavai
by Hallgeir Homstvedt

Big on comfort

Hallgeir Homstvedt has designed KAVAI – a lounge chair big on comfort but not in size. With its small size KAVAI is suitable for any space – alone in the reading nook, as a pair in the living room or in groups of many in a lobby. KAVAI has a distinct profile, with a slender body and generous armrest. The armrest on KAVAI envelops your body – much like a coat hugs your neck on a cold winter day.

See page 112 for complete specifications
