

Falcon

Design: Sigurd Resell, 1971

LK H

Falcon

Falcon is an icon of Norwegian design history. Designed by Sigurd Resell in 1971, the chair was inspired by the relaxed feeling of a hammock. A canvas sling holds the soft cushion within the steel frame, allowing the chair to gently sway. Falcon provides an exceptionally comfortable sitting experience.

Technical information:

Falcon is available with a high or low back, and with a matching ottoman.

Material options:

- Polished steel with beige canvas.
- Polished steel with black canvas.
- Coated steel in black with black canvas.
- Choose from a wide range of textiles and leathers on the cushion.

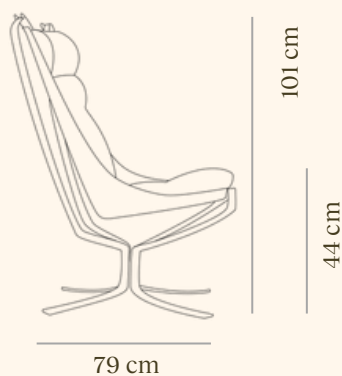

Cushions:

- Falcon First: the original with buttons.
- Falcon Phoenix: a modernized version with seams.
