Kibun

Stay playful

Design duo Hvass & Hannibal create playful, mischievous and often anarchic work. The exotic landscapes they encountered as children continue to surface in their work today, reimagined through bold colours, patterns and a distinctive visual language.

Their pillow collection for LK Hjelle grew out of this universe, developed in close collaboration with Dag Hjelle.

Technical information:

Material:

- The fabric is woven in fine-quality wool in Norway by Innvik/Kvadrat and Kristina Aas.
- Downproof canvas.
- Filling: 100% down and feathers.
