

Mio

Design: Takagi/Homstvedt, 2021

LK H

Mio

Mio combines a clean, modern expression with thoughtful details. Its layered steel frame and two circular tabletops create a sculptural silhouette, inspired by the bold cantilevers of modernist architecture. A practical lower shelf adds another layer of functionality, providing space for books, magazines and other everyday essentials.

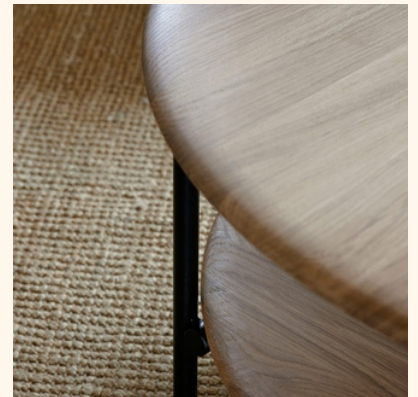

Technical information:

Material options:

Tabletops in solid oak in the following treatments:

- Natural oiled
- White oiled
- Lacquered
