## Mon Ami!

AMI means friend, and as this is a series where each piece of both the chair and sofa - the frame, slipcover and upholstery - can individually be refurbished and repaired, That's how AMI becomes your lifelong buddy.

AMI isn't just a chair; it's a statement piece that adds character to any room. Plus, its ergonomic design ensures comfort, making it not just beautiful, but also a joy to sit in.

## Takagi/Homstvedt

While Hallgeir Homstvedt and Jonah Takagi have been friends for years, their first collaboration as designers came in 2016 as part of an exhibition curated by the influential design blog Sight Unseen and sponsored by the Embassy of Norway. To date they have designed and developed products for a range of international brands that include Roll & Hill, Le Klint and Design Within Reach, and now Hjelle with their AMI series.
