# Ingmar Relling

Ingmar Relling was an impassioned designer, who created a series of functional furniture designs during his long career. Today he is considered as one of the greatest contributors to the golden era of Scandinavian Design. Simplicity, minimalism, elegance and uncompromising quality are key concepts in all of Relling's designs.

In 1965 Ingmar Relling designed his greatest creation: the Siesta chair. The Siesta is a simply harmonious and classical chair, free of unnecessary details, but with a comfort to die for. No wonder that today the Siesta chair stands out as an internationally recognised classic and a Norwegian icon.

# Siesta Classic

The Siesta Classic chair combines elegant design, an optimized use of materials, and comfort that feels like a warm hug. It's the kind of chair that makes you think, "Ah, this is where I want to be!"

The soft cushions makes it your go-to easy chair, and the light frame gives the chair a beautiful sense of lightness. Together, the cushions and the slightly flexible frame ensure a very high level of comfort. The verdict? Siesta Classic is your ultimate relaxation destination - the ideal spot for a classic siesta.

# Siesta Fiora

Simplicity, minimalism and functionality represented in one chair.

The eye-catching, sculptural silhouette gives Siesta Fiora an elegant, sleek appearance and makes the chair easily adapt to any room or space without losing its great comfort and distinctive character. Once you have tried it, you will without a doubt fall in love.

# Siesta Trio

To celebrate Siesta's 50th anniversary we launched Siesta Trio. Siesta Trio applauds the classic icon's great correlation between design and function, but at the same time emphasizes Siesta's ability to stay unaffected by time. Hence the name: Siesta Trio has three separate cushions that all together offer your body a unique comfort and an extra support for your lower back. The threefold expression gives the chair a modern attitude and a playful design. It's a feast: Congratulations Siesta - and welcome Siesta Trio!

# Siesta Ovis

To celebrate Siesta's traditions and use of natural materials the chair got a new suit in 2021. Sheepskin is a traditional material used by mankind for centuries due to its properties such as warmth and durability. «Ovis» means sheep in Latin, hence the name: Siesta Ovis. Siesta Ovis is available in three different colors of sheepskin: Moonlight, Maple and Scandi- navian Grey. Its soft and cosy appearance invites you to sit for hours and makes for the perfect spot to relax!

# Siesta Soft

Just like the original Siesta, Siesta Soft stays true to its roots. It embodies the elegant design, the optimized use of materials, and that unbeatable comfort that made the Siesta chair a classic. It's like meeting an old friend who's learned a few new tricks but still has that familiar charm.

What's the secret to Siesta Soft's irresistible comfort? It's all in the down and feather-filled cushion! Plus, it gives the chair an overall relaxed look that invites you to sit back, relax, and stay awhile.
